Surf Life Saving Sydney is excited to host our **2nd Annual Leadership Development Day** for aspiring club leaders aged **18 to 25** years on **Saturday, 18 October 2025**, from **8:15am to 4:30pm** at **Maroubra SLSC**.

This full-day event will be centred around **Inspiration, Camaraderie, Purpose, and Challenge** — providing a unique opportunity for personal and leadership development within the Surf Life Saving community.

The program will feature a dynamic mix of presentations and activities delivered by a diverse group of recognised leaders from both within our Branch and beyond. Following the success and positive feedback from the 2024 program, we'll be maintaining a similar format designed to be engaging, interactive, and impactful.

We are asking each club to select and **nominate up to four candidates** with a balanced representation of genders, who demonstrate leadership potential and are well-positioned to bring the knowledge and experience gained back to their clubs.
