<b>OVERVIEW:</b>	Surf Life Saving Sydney is excited to announce the details for our 2025/26 season Pool Rescue Clinics in April 2026.

Surf Life Saving Sydney is committed to encouraging, recognising, and developing young members across our Branch. Many of these athletes began their journey in Nippers for a variety of reasons and now aspire to compete at Branch, State, and National (Aussies) Championships. Our Branch offers a strong development pathway that supports athletes as they progress from Nippers through to Cadets and Seniors, helping them build their surf lifesaving skills and stay motivated along the way.

The Youth and Junior Development Committee, together with the Surf Sports Committee, will continue to deliver clinics for our members wherever possible. We are pleased to confirm the dates for the 2026 Pool Rescue Clinics. These clinics are open to all members in the U11 age group and above.
