

ANNOUNCEMENT

TO:	Club Presidents, Club Secretaries, Captains, Interested Parties CC: SLSS BOM, LSRSC, EC
FROM:	Director Lifesaving & Rescue Services Manager Lifesaving
DATE:	Thursday, 2 July 2026
PAGES:	1
NUMBER:	05: 2026/27
SUBJECT:	EOI Gear Inspection Team 2026
OVERVIEW:	Season preparations are underway for the annual Gear Inspection. Clubs have been advised the date for season 2026-2027 will be Saturday 12 September 2026

Each club is asked to nominate at least one (1) member to join the Gear Inspection Team. The more clubs represented, the better the day runs. It spreads the workload so no one person is carrying the risk alone, it means the convoy moves through locations faster, and it's a great opportunity for members to build skills in areas like IRBs, boards, and first aid.

Previous experience is not required. If you have members keen to learn, please nominate them too. We are always glad to train new team members alongside our returning gear inspection crew.

Please submit your EOI via this jotform link

<https://form.jotform.com/261807320634857>

EOIs close COB 3 August 2026

Role of Gear Inspection Team

The team would meet and travel to locations on the day in a convoy as a team.

Checklists and marking off of inspected gear will be conducted via the Operations App.

The Gear Inspection Team, once appointed, are given Branch Auditor access to this information.

No experience is necessary; however, we do hope to have previous GI team members reapply to be a part of the team!

Any queries, please contact the Branch office E: lifesaving@sls.sydney
