

SURF LIFE SAVING SYDNEY

LiveHeats Training & Support Links

The following resources are provided to assist Surf Life Saving Sydney (SLSS) carnival personnel and officials with the use and management of LiveHeats at Sydney Branch carnivals and Surf Sports events.

SLS Hub - LiveHeats eLearning Course

Surf Life Saving members can complete the **SLS - LiveHeats eLearning course** through the SLS Hub.

- **Accessing the Hub:** [SLS Hub Login Screen](#) and log in using your standard SLSSA Members Area credentials.
- **Navigating to eLearning:** Once inside the Hub, click on the Applications tab and select eLearning to open the eLearning portal.
- **Enrolling in the Course:** From the Training Library, locate and enrol in SLS - LiveHeats.
- **Training Record:** Once completed, the module will automatically link back to your personal SurfGuard profile.

LiveHeats - Surf Life Saving Tutorial

A general LiveHeats tutorial specifically covering its use within Surf Life Saving:

LiveHeats Training Channel

Additional training resources are available directly from LiveHeats: [LiveHeats YouTube Training Channel](#)

PLEASE NOTE: LiveHeats has been upgraded since some of the training videos below were created. There may be variations in the processes, menus and screen layouts demonstrated compared with the current LiveHeats platform.

Event Administrators

- [Creating an Event](#)
- [Creating a Round Robin Event](#)
- [Creating an Empty Draw for a Standard Event](#)
- [Creating an Empty Draw for a Round Robin Event](#)

Marshals & Sectional Referees

- [Using Groups for Combining Events](#)
- [Creating A & B Finals](#)
- [Adding a Final to a Round Robin Event](#)
- [Creating a Round Robin Semi Final & Final](#)

Marshals

- [Creating a Draw for Beach Flags](#)

Recorders

- [Recording Beach Flags with Multiple Flag Pits](#)

These resources provide a central training reference for SLSS officials, referees, sectional referees, marshals, recorders and carnival administrators and are recommended for anyone who will be using LiveHeats during Sydney Branch Surf Sports carnivals.
