Help build partnerships that support lifesaving across Sydney.

Surf Life Saving Sydney is seeking expressions of interest from people interested in joining its Sponsorship Working Group.

The group will help shape the Branch's sponsorship strategy, develop sponsorship packages, strengthen relationships with existing sponsors and identify new partnership opportunities. It will also regularly consider grants that support Branch services, programs, equipment and events.

What will the group do

Working together, members will:

- Develop a clear sponsorship strategy and practical action plan.
- Design sponsorship tiers, packages and benefits that offer value to sponsors and SLSS.
- Identify prospective sponsors and support coordinated approaches.
- Manage sponsor relationships, recognition, agreed benefits and renewals.

Our Branch Partners and Sponsors

- Identify suitable grants and assist with approved applications and follow-up.
- Provide recommendations and progress updates to the SLSS Board of Management.

Who should apply

We welcome interest from SLSS members and people from the wider community with skills or experience in one or more of the following:

- Sponsorship, sales or business development.
- Corporate partnerships or account management.
- Marketing, communications or proposal writing.
- Grant research, applications or project reporting.
- Finance, strategy or community engagement.

You do not need experience in every area. We are looking for a mix of practical skills, fresh ideas and people who can work collaboratively and follow through on agreed actions.

An understanding of surf lifesaving or volunteer organisations would be valuable.

Chair and commitment

The Working Group will be **chaired by the SLSS Deputy President** and will meet **monthly online**, generally for **60 minutes**.

Members will also contribute to agreed tasks between meetings, with responsibilities shared according to skills and availability.

There are **four to six volunteer positions**, with an **initial appointment of 12 months**. Appointments will be made by the Board of Management on the recommendation of the Chair, taking account of the group's overall mix of skills and experience.

- Your name, contact details and club or organisation, if applicable.
